EDUCATION

Expected, July 2026 Ph.D., Educational Psychology and Methodology
University at Albany, State University of New York (SUNY)
Dissertation: *Exploring Large Language Models for Single Case Design Meta-analysis: Applications, Challenges, and Future Directions*
Committee: Mariola Moeyaert (Chair), Benjamin G Solomon, Xin Li

2021 M.S., Educational Psychology and Methodology
University at Albany, SUNY

2020 B.S., Psychology
Emporia State University
Minor: Computer Science, Rehabilitation & Disability Studies

2018 B.S., Applied Psychology
Liaoning Normal University, China

RESEARCH EXPERIENCE

2020-Present	Research Assistant, Educational Psychology and Methodology, University at Albany, SUNY
2024-2025	Psychometrician, Office of State Assessment, New York State Education Department Coordinated program implementation, analyzed data, and translated findings into actionable insights.
2023	Research Associate, Institutional Research Department, Schenectady County Community College, SUNY Developed models to predict students' likelihood of retention and interpreted outcomes to inform policy decisions.

TEACHING EXPERIENCE

Fa 2023-Fa 2024	Instructor, Educational Psychology and Methodology, University at Albany, SUNY *Statistics Human Development*, undergraduate level, 2 sections *Understanding Research in Human Development*, undergraduate level, 1 section
Fa 2025	Guest Lecturer, Educational Psychology and Methodology, University at Albany, SUNY *Systematic Review and Meta-Analysis*, graduate level, 1 section
Fa 2022& Sp 2024	Teaching Assistant, Educational Psychology and Methodology, University at Albany, SUNY Served as a co-instructor *Statistical Methods I*, graduate level. 2 sections *Regression*, graduate level, 2 sections
Fa 2022-Present	Teaching Assistant, Educational Psychology and Methodology, University at Albany, SUNY Served as a grader, duties included grading assignments, maintaining office hours and holding review sessions. *Introduction to Education Psychology*, undergraduate level, 1 section *Statistical Methods I*, graduate level, 1 section *Statistical Methods II*, graduate level, 1 section *Regression*, graduate level, 2 sections *Multivariate Methods for Research*, graduate level, 1 section *Systematic Review and Meta-Analysis*, graduate level, 1 section

GRANTS & AWARDS

April 2026	American Educational Research Association Travel Award ($300)
May 2025	Jean Edgecumbe Groff '38 Graduate Scholarship, University at Albany, SUNY Awarded to graduate student who demonstrates academic merit ($1000)
May 2024	Joshua S. Smith & Yun dih Chia-Smith Professional Development Travel Award, University at Albany, SUNY Awarded to support travel to a national professional conference ($1000)
May 2023	Alice Clark Long Scholarship, University at Albany, SUNY Awarded to graduate student who plans to teach ($1000)
May 2021	Van Slyke Scholarship, University at Albany, SUNY Awarded to students demonstrating steady academic performance ($1000)

PROFESSIONAL AND UNIVERSITY SERVICE

2021-Present	Ad-Hoc Reviewer *Human Behavior and Emerging Technologies*, 3 manuscripts *The Journal of Experimental Education*, 1 manuscript *Computers in Human Behavior*, 2 manuscripts
Fa 2023	Self-regulated Learning Develop Project, Educational Psychology and Methodology, University at Albany, SUNY Mentored undergraduate students using self-regulated learning interventions to enhance their academic success.
2022-2024	Assembly Representative, Registered Graduate Student Organization of the Sky Happiness Club, University at Albany, SUNY
2022-2023	Vice President, Registered Graduate Student Organization of Educational Psychology and Methodology, University at Albany, SUNY
